Dear Siphamandla,

This year you committed more than 35 hours as a residence tutor and you submitted your Power Pitch. The UCT Plus assessors went through your reflection and found that your involvement combined with your awareness of how you developed as a leader and the skills, values and knowledge you gained is deserving of a UCT Plus Bronze Award.

The following has been added to your transcript under 2024: **UCT Plus Bronze 35hrs role-modelling leadership.**

Congratulations and thank you for your leadership contribution to your tutees and UCT during 2024.

The UCT Plus Team
